Using automatic belay devices which take in the slack as you climb and then lower you gently down to the ground, indoor climbing has never been easier, safer or more exciting. Test your resolve and determination take the Speed Climbing challenge, monkey around on tree trunk, beat your buddy on face to face or simply reach the dizzy height of twister.

These are just a few of the climbs on offer. Challenge yourself, challenge your friends and remember: Who Dares, Climbs at **Clip 'n Climb** Stratford!
