Everyone Active - Intermediate Apprenticeship in Coaching Learn To Swim

Sports Leisure Management (SLM) – trading as Everyone Active

Formed in 1987, SLM is the longest established leisure management company in the UK, working with over 45 local authorities, operating over 160 leisure facilities nationwide.

It prides itself on achieving excellent operational standards, driving up activity participation, maintaining service excellence and developing colleagues, all of which are marks of a successful company.

SLM is the company behind the exciting new brand Everyone Active; it's the UK's No 1 brand for activity.

The vision is to be everyone's first choice for activity and we will strive to encourage everyone to participate in 30 minutes of moderate physical activity 5 times a week.

What will the role involve?

This is a full-time position and you will be required to work between 30 and 40 hours per week on a shift basis at your designated centre. You will receive on-going training and benefit from free use of the gym and swimming pool.

This apprenticeship programme is designed for those individuals wishing to pursue a career in the leisure industry through a teaching route.

This apprenticeship programme is entirely work based and work related and is designed to develop the coach or teacher and offers the opportunity to support learners to develop into qualified swimming teachers.

The swimming programme gives you a wide range of knowledge and experience and most importantly the qualifications to help you develop a career within the leisure industry.

About swimming teachers:

Swimming teachers help people of all ages and abilities to develop swimming skills and techniques, or exercise in water. Swimming coaches train competitive swimmers. If you are a good swimmer, and you could motivate and inspire others to develop their skills, this job could suit you well.

To be good at this job you would need to be able to encourage people and put them at their ease. You would also need to have perseverance and patience with slower learners.

This apprenticeship programme is designed for those individuals wishing to pursue a career in the leisure industry through a teaching route. It represents a significant culture shift by delivering much more than just coach education and creating teachers and coaches who can promote learning through ownership, awareness and responsibility.

This apprenticeship programme is entirely work based and work related and is designed to develop the coach or teacher and offers the opportunity to support learners to develop into qualified swimming teachers.

The swimming programme gives you a wide range of knowledge and experience and most importantly the qualifications to help you develop a career within the leisure industry.

The programme is 12 months in duration and you will be employed on a fixed term 12 month contract. On successfully completing your Apprenticeship we would expect to be able to offer you continued employment and development opportunities.
