Virtual Classes

Virtual classes are designed for people who cannot get access to our live classes or who want to get a 'taste' of a class before taking a live class with an instructor. The classes are played on a big video screen, with dimmed lighting and pumping surround sound, and are led onscreen by the people who actually choreograph the classes. There is a variety of virtual programs and class durations available, so check the club's timetable for details and give it a go!
