Expertise

Well-respected, primary defence QC, commonly appearing in complex frauds, murders and inquests.

Frauds have included MTIC, boiler room, advance fee and fraudulent trading.

Murders have included gang-related cases and ones involving firearms and other weapons which have involved cell site, low copy number DNA, firearms discharge residue, blood spatter, wound track and causation.

Prior to taking Silk, as a Junior and Leading Junior, undertook the full range of criminal work with an emphasis on both prosecuting and defending fraud cases. Instructed to prosecute the second case undertaken by the Serious Fraud Office and, thereafter, appeared regularly for the SFO until 2004.

Described by others as very friendly, always thoroughly prepared and as having the ability to grasp complex issues with speed.
