AGM Statement

Redhall Group plc (AIM: RHL), the manufacturing and specialist services group, will hold its Annual General Meeting at noon today in Leeds.

Martyn Everett, Redhall's Chairman, will make the following statement:

"In our preliminary results in December we said that Redhall had undergone a dramatic change in the year to 30 September 2015 and that the key to the next phase of the turnaround is achieving an improved order flow in the core business.

"I am pleased to report today that trading so far in the current financial year has been broadly in line with management expectations. We are experiencing improved activity levels in a number of our markets, particularly nuclear, infrastructure and telecoms. This has resulted in a healthy pipeline of opportunities and we anticipate reporting growth in our order book by the year end. "
