

Free Government Specific VAT & PAYE Training

Vexed by VAT? Perplexed by PAYE? Whether you are new to Government Finance, want to keep up with the latest updates from HMRC or simply want a refresher on the subject, The Government Finance Academy and the Tax Centre of Excellence have collaborated to provide an online VAT & PAYE training tool accessible to all finance individuals across Government. This training should take around an hour to complete and can be accessed via the civil service learning website – link here:

<https://civilservicelearning.civilservice.gov.uk/learning/course/view.php?id=1161>

Topics covered on the course include:

- VAT Basics
- How VAT works?
- Business Activities
- Contracted Out Services rules
- PAYE
- Putting it into practice

The course is free to access and counts towards CPD hours for the year so is well worth completing. Participants are led through this fully interactive course by a virtual host (Georgia) who provides various pointers along the way. The course also includes various Q&A sessions throughout to make sure the topics being covered and the finer points of the subject are understood.

If there are still outstanding queries once the course has been completed please get in touch with your usual TCOE contact who will be happy to provide further assistance.

Happy learning!
