THE LOWRY

All Subject Access Requests (SARs) must be made in writing. So that we can process your request quickly, it would be really helpful if you could fill out the form below and send it to data@thelowry.com

The Lowry will respond to SARs within one month of receipt. A member of The Lowry's Data Team will be in touch with you to acknowledge your request and will possibly ask you to confirm your identity (if you haven't already done so) or to ask additional information in relation to the request being made.
