

# LIGHTHEADS

## Vertex Series

### Colour

At only 22mm in height, this small LED is perfect for when size and intensity are crucial. Due to its small size, it can be surfaced mounted to anywhere on the outside of a vehicle.

### Key Features

- Split colour enabled.
- Scan-Lock™ flash patterns.
- Self-contained unit, with in-line combination lamp.
- Simple installation.
- Hard-coated lenses.
- Clear out lens, colour LEDs.
- Available with smoked lenses.
- Designed to mount in composite headlight or taillight
- Can be mounted vertically or horizontally via two screws.
- Surface mount options allow for exterior mounting.
