25

**Electrical
Safety First**
The UK's electrical safety experts

Electrical Safety First is the leading charity on electrical safety. We campaign on issues that include product recall and registration, electrical DIY, the importance of using registered electricians and counterfeit electrical goods. As well as raising awareness with the public, we also work with politicians to ensure that government is doing all it can to keep people safe from electrical accidents.

www.electricalsafetyfirst.org.uk

26

SELECT

SELECT, Scotland's largest trade association represents over 1200 businesses who work in the electrical contracting industry. Our role includes the setting and monitoring of industry technical standards and training the workforce of today and tomorrow, via the industry's apprentice training programme. Our current focus is on making the people of Scotland safer by working with government to introduce protection of title for electricians.

Visit www.select.org.uk

27
